HARIHARAN V

Srivilliputtur, Tamil Nadu | +91 9344502591 | hariharan03119@gmail.com | linkedin.com/in/hariharan006

PROFESSIONAL SUMMARY

Motivated Computer Applications undergraduate with hands-on exposure to Python, SQL, and Power BI through academic projects, an internship, and a data analytics workshop. Skilled at applying machine learning concepts to real-world problems and communicating technical findings clearly. Seeking an entry-level role in data analysis, data science, or software development.

TECHNICAL SKILLS

Programming & Data: Python, SQL, C, C++

Analytics & Tools: Power BI, Data Analysis, Explainable AI (SHAP, LIME)

Infrastructure: Computer Networking, Computer Hardware

Other: Graphic Designing

EDUCATION

Bachelor of Computer Applications (BCA) — Karpagam Academy of Higher Education 2023 – 2026
CGPA: 8.50 / 10

Higher Secondary Certificate (HSC) — G S Hindu Higher Secondary School 2022 – 2023
Percentage: 72%

SSLC — G S Hindu Higher Secondary School 2020 – 2021

INTERNSHIP EXPERIENCE

Data Science Intern — Inspire SoftTech Solutions 30 Days

- Completed a focused internship in data science application development using Python, applying core programming and data-handling concepts to guided exercises.
- Practiced building and testing small Python scripts under mentor guidance, reinforcing foundational data science workflows.

PROJECTS

Intelligent Credit Risk Assessment System 3 Months

- Built a machine learning system to predict credit risk by developing and comparing Logistic Regression, Decision Tree, and Random Forest models.
- Applied Explainable AI techniques (SHAP and LIME) to generate transparent, interpretable predictions, improving the reliability of model outputs for financial decision-making.
- Evaluated model performance across algorithms to identify the most effective approach for credit risk classification.

TRAINING & CERTIFICATIONS

- Data Analytics with Power BI — 7-day workshop, J-Impact Creative Learning and Consultancy Services
- Certified: Python with Data Science
- Certified: Advanced Training in System Engineering
- Certified: Power BI
- Certified: Hardware & Networking
- Certified: Graphic Designing

AREAS OF INTEREST

Artificial Intelligence • Data Analytics • Computer Hardware • Web Development

SOFT SKILLS

Communication • Teamwork • Problem-Solving • Adaptability • Decision-Making
